In light of the **Maharishi Invincibility Institute (NPC)'s** compliance to these quality assurance processes, we are pleased to inform you that the **Maharishi Invincibility Institute (NPC)'s** award of secondary accreditation has been renewed **on provisional basis, valid up to, and until the 30 June 2023.**

This award is subject to the fulfilment of the following conditions:

- Compliance to prescribed requirements as outlined in the **INSETA's** accreditation and other quality assurance policies.
- No learner enrolments are permitted outside of the awarded accreditation period.
- Accreditation is also dependant on the currency of unit standards or qualifications that have been awarded to the provider. Should currently registered NQF qualifications expire or be replaced prior to the end date of the provider's accreditation cycle, the actual life of the expired qualification takes precedence over the provider's accreditation period.
- Accreditation scope as well as any extensions will depend upon successful delivery against the **INSETA's** policies and procedures and any conditions attaching specifically to this approval which may be stated separately.
- This accreditation does not automatically cover new unit standards or qualifications that may replace reviewed ones. Applications should be made separately to extend the provider's accreditation scope.
- This approval is also subject to, ongoing organisational monitoring and evaluation as well as the outcome of verification, against approved learning programme(s).
- The **INSETA** reserves the right to conduct a site visit at the **Maharishi Invincibility Institute (NPC)'s** premises and or delivery site (s) at any stage of the stipulated accreditation period.
